WOODWARD HIGH SCHOOL

CINCINNATI, OHIO

Peter

6/9/47

The Woodward Color Guard has been in existence since 1893. In May of each year, three boys of high character and scholastic attainment are chosen to share the responsibility of caring for the school's flag throughout their senior year. The ceremony of the giving of the flag by the old Color Guard into the custody of the new occurs on Class Day and again at the commencement exercises.

In accepting the task of protecting the colors, the guard promises to see that the flag is in its proper place each morning at the beginning of school and that it is returned for safekeeping to the office of the assistant principal each evening. The guard also provides for the burning of any American flag within the school that is no longer in condition to be displayed.

To be appointed to the Color Guard is one of the highest honors a Woodward student can attain.

LOUIS JONES, JOSEPH TUCKER, BENJAMIN BRYANT

Faculty

Our debt to our faculty is great. Besides giving patient instruction in classes, they offered advice and guidance to us both as individuals and as we worked in groups in our clubs and activities. From them we have received not only the materials of learning but the incentive to learn. From them also we inherited much of the spirit of Woodward, since many of our teachers were themselves students here.

Our principal, Mr. Moeller, is an alumnus of Woodward and a former member of the teaching faculty.

Those of us who are privileged to work with the youth of our country spend much time considering what type of basic personalities we hope to produce. It is clear that the young people of today are being formed into the likeness of free and responsible men or the likeness of dominated and irresponsible men. Dominated men cannot be responsible because they are not free.

Thus, it is clear that the more we can learn to value the democratic faith which free and responsible men and women have always had in the dignity, integrity, and worth of the individual, the more energy and creativeness we will have with which to meet the challenge of dominated and irresponsible men who fear freedom and distress themselves. Once we can understand and accept the implications of this statement, we can begin to work positively and constructively at the roots of many of our present difficulties. It is our fond hope that your experiences at Woodward have given you the background for working democratically with all those groups with whom you will find yourself associated in future years.

Winton L. Moeller

This is an important year in your life. During your school years many of you have established a pattern and direction for your future. You have encountered problems and solved them. You have acquired skills and knowledge which will make it easier for you to make future decisions correctly. Probably never again will life seem so simple as it does for you now. As you continue to study and work, you will find it necessary to re-evaluate and clear a path amid the confusing ideas and materials with which you will come in contact. You must not misuse your powers but constantly strive to put them to better use. You will miss opportunities as you go through life. This must not discourage you for life is full of opportunities. Take hold of each good thing that comes your way and use it to the best advantage. When you leave Woodward there will be a demand on you for greater self-reliance and personal responsibility. Strive to keep your self-respect and sell yourself to the best of your ability. It is only through honest effort on your part that you will develop an independent and distinct personality. Then you will be capable of sharing with others the achievements which have become yours.

George Van Ness

MR. VAN NESS, ASSISTANT PRINCIPAL

MISS RYAN, ASSISTANT PRINCIPAL

To you, the graduates of 1952, I wish to extend hearty congratulations and best wishes. May the friendships formed in your school days at Woodward prove to be lasting and true and in accordance with all the traditions of your school. May the training you have received prove of great value in obtaining permanent employment, and may the habits formed prove an incentive for the obtaining of further education which in turn will make you good citizens of your city and your country.

May the graduates of the Commercial Vocational Department fully realize how valuable their training is to them and how well qualified they are, and may they be ready to meet each personal challenge with confidence and assurance.

My hope is that you will all, by experience, broaden your outlook in life and become leaders in your chosen field of work.

DAVID WRIGHT. Unassuming in and out of class. One of the track team's most reliable men.

ELIZABETH WRIGHT. Neat in appearance, good humored, energetic . . . That's Betty every day of the year.

Through these halls . . .

SEPTEMBER

4. The First Day, and somehow after the summer's idleness we're glad to be back! The seniors may be seen floating in their private heaven and drawing their oxygen from the upper atmosphere.

5. Our marvelous lunchroom opens. How we've longed for that Woodward hash! The old order changeth: we have three lunch bells instead of two.

7. The Pigskin Preview tonight, and our team and band really made a showing.

13. Something new at Woodward! Our own Camera Club, with Mr. Rubendunst attempting to teach his proteges the fine art of the lens. A new course, First Aid, was started, and First Aid books went on sale in the bookroom. For results, see p. 32.

14. The Audio-Visual Aiders had their first meeting today. Mr. Russell — brave man — started his Drivers' Training Course.

15. Delta Hi-Y threw its Back-to-School Dance and Central Alpha Hi-Y had its Kickoff Dance tonight. Gotta look our best!

17. Student Council met during 6th Bell and kicked off the year by beginning the Big Brother and Big Sister program. D. T. opens today - uh - oh!

18. Last call for senior Annual photographs!

20. First Fire Drill. Went off without a hitch, as usual, but the girls from the gym class were pretty embarrassed, also as usual! Study halls are now in session.

22. Central Alpha hired a jet-propelled truck for their hayride tonight.

24. 10th grade health exams begin. Say "ah"!

25. Honor Clubs meets today. Oh well, we can't all be brains.

27. We made out our report cards today. They're blue and white now. We hope they stay that way!

OCTOBER

1. The library opens — now we can catch up on all the intellectual reading we missed during the summer.

Red Cross drive started today. Must remember to bring a nickel tomorrow.

2. Seniors were measured for rings today. Senior noses were raised two inches. Annual homeroom representatives chosen today. See the annual staff writeup page for the names of these hardworked persons.

4. The World Series is interfering with our concentration on World History. It's such a beautiful day for baseball!

10. There was a faculty tea in the library at 3:15 today. Keep away from those little cakes, boy. They aren't for us.

Bulldogs are out. Did you see what they said about . . . ?

12. The Boys' Week Assembly . . . we have a group of potential politicians! Two of the outstanding speakers were Bob Hill and Tom (he's our man) Walters.

17. No school for us today; it's B.I.E. Day.

18. We begin to pack Red Cross boxes for distribution overseas.

19. First report period ends today. Oh well, there's always another one!

22. Lunch shift — "and the last shall be first."

23. Police regulation — no more parking on the south side of school. Question: if all the teachers go to jail, who keeps school?

9th and 10th grade were photographed today. Another innovation: homeroom meetings!

24. Here's to Cincinnati's new Vice Mayor, Bobby Hill. Too bad it's just for a day!

The Bulldog's out again. Maybe we'll be mentioned this time.

U. N. Assembly today.

26. No school. Hoorah for Teacher's Meetings!

29. First report card. I always thought high C referred to sopranos.

30. Hallowe'en — witches and hobgoblins exercised their magical power, demanding their tribute with the mystic phrase, "Trick or treat!"

31. Senior rings and pins arrived! The senior class was struck by an epidemic of "Shake-handitis."

Alpha Chi Gamma's party tonight was "terriff"!

NOVEMBER

2. The Band played at Cincinnati Gardens for B Day. It was quite a show.

5. Senior elections. Ben became our new Pres. and Sylvester our able Veep. Ralph Kelly and "King" Russo took Treasurer and Secretary.

Homeroom meeting: "The Importance of Marks." How well we know!

6. Ventilation fans went on today. Shut the doors and windows, we're in for the winter!

7. Today we saw a film on Chicago's Field Museum. What a place!

Bulldogs came out again today.

8. Mr. Solomon's science class makes the news.

9. The Luncheon Club was recognized and photographed for the Bulldog.

13. Our girls play good hockey at Walnut Hills.

Basketball practice starts.

14. Speech students told us in advance how good this annual was going to be!

15. The Canned Goods Drive for Thanksgiving Baskets. We had a pleasant feeling, sharing a little of our Thanksgiving plenty with somebody who was less fortunate.

16. Open House tonight. Woodward got out the dust cloth and spruced up for the "folks."

17. Girls' Assembly. All males stay clear! They spent the hour learning the secrets of beauty.

20. Hockey Play Day again. If at first you don't succeed . . . maybe I'll **break** the leg today!

21. The Thanksgiving Assembly was very impressive as we learned again why "We Give Thanks." The girl who won everybody's heart was Natalia Fortsinsky.

22-25. Thanksgiving Holiday. Oh, did we eat!

27. Pep Session in the auditorium this afternoon. Mr. Alexander was boosting the sale of basketball I D cards.

29. Big Brother - Little Brother meeting today. Some of the 'Big' Brothers had to look up at their "Little" Brothers!!

DECEMBER

2. Central Alpha's football teams, James's "Outlaws" and Angel's "Angels" played today. The Outlaws edged the Angels 42-0.

4. Color Day. Everybody wore blue and white. We wouldn't have been able to face Betty Whetstone if we'd forgotten. What school spirit!

10. Reports again! Mine hasn't turned patriotic yet. I've got my fingers crossed.

12. Award Assembly. Were we proud to get those little dark blue letters!

13. Dozens of brand-new sweaters sporting W's drifted into the halls.

14. The Choir sang with the Symphony. The music was beautiful, but the weather wasn't. Rain, snow, sleet!

Christmas cards for the Munich Community Christmas Tree were taken up today. Greetings and good wishes for the Christmas season from the students of Woodward to Cincinnati's sister city in Germany.

Alpha Chi Gamma and Alpha Hi-Y's dance at the Topper. The boys put a gleam on their shoes while the girls broke out in their new party dresses. It was a whopping success.

18. Bulldogs today!

Old Woodward looks gay and glamorous for Christmas. Student Council has decked the halls with boughs of maybe not holly, but some mighty handsome green stuff.

19. Our Choir and Band were on the radio for the March of Dimes. The music department again can take a bow.

21. Christmas Assembly, with music and tableaux to put us into the spirit of the season. The Choir caroled in the halls 5th Bell and homeroom Christmas parties came 6th Bell. The universal cry was — Merry Christmas!

22. The big vacation.

24. 9th Street Hi-Y delivered a grocery basket to a needy neighbor, helping them to have a happier Christmas.

JANUARY

1. Leap Year is here. Look out, fellas!

2. Back again. We spent the day showing off our Christmas loot.

3. Underclassmen receive their pictures. What a mixture of sighs and moans!

8. We were invaded by an army of painters with scaffolds and ladders. The halls are getting a real face-lifting. Look out! That paint's still wet!

10. Junior Town Meeting. The question: How can youth prepare for security? Says Ralph, "Money." Says Bobby: "Closeness to God." Says Vivian, "A Happy Home Life." Says Glee: "An Education." Says Ralph, stubbornly, "Money!" We've got a senior class treasurer who loves his work.

11. Today we saw Robin Freeman up in our gym. We all wondered — is he human?

12. Central Alpha's Hoop Hop celebrated Alpha's first Central League basketball game and their first defeat.

16. Talent Assembly after school. If the Hi-Capades turn out as well, we'll be satisfied.

Senior girls' H. R. 314 was painted today. Some senior boys graciously invited them to share Room 201, but Mr. Roebuck somehow couldn't see it that way.

22. End of the third report.

23-25. E X A M S — need we say more?

26. Central Alpha's Semester Shuffle helps us forget the worries we had over exams.

FEBRUARY

4. Report cards today. Those exams weren't really so bad after all. The seniors are especially relieved — these may have been their last. (They hope!)

9. Phi Epsilon Alpha's Cupid Swing went over in a big way. Ronnie and Lois were elected Mr. Hi-Y and Miss Y-Teens. (Respectively).

19. Woodward's Band played for the C.T.A. Lecture Series at Schiel School.

20. The guys and gals were all prettied up for their club pictures today. Clock watching was encouraged for a change.

21. Alpha Chi Gamma's slumber party. No sleep for the girls tonight!

22. George Washington was a great man, a noble man . . . no school today!

Central Alpha's Levi Leap was the most successful ever. If you'll pardon the vulgarity, the jernt was loaded and really hoppin'!

25. The **up** stairs at the north end of the west side of the building were switched to **down** stairs and the **up** stairs, we mean the formerly **down** stairs we mean the — uh — **some** stairs were changed to **up**, or was it **down**? . . . Oh well, the stairs were switched. Know what I mean? And, believe it or not, the whole thing makes life simpler. This scientific idea sprang fully formed from the mighty mind of Mr. Becker. Executed, naturally, by student council.

27. Posters went up all over the building. Resolution: I'll never say "ain't" again.

29. Basketball Playday. The girls spent the evening bandaging knees, but it **was** fun!

MARCH

4. Student-Faculty Game. My sides are still aching. We recognized again that Mr. Rubendunst is a swell guy with a great sense of humor.

5. Seniors were measured for caps and gowns. "G" day is drawing nearer and the seniors have a far-off gleam in their eyes.

7. Founder's Day. We wonder if we'll be back in fifty years.

11. 11th and 12th grade Career Assembly. Very informing.

12. Bulldogs out.

15. Central Alpha's Shamrock Shuffle featured the wearing of the grin. (That's a joke.)

16. The one-actor, "Quimby Comes Across", was presented on TV by Woodward students, directed by Mrs. McKinney. What a bunch of Barrymores and Bernhardt's we have!

17. St. Pat's day and report cards went out. Some of us were wearing green in the form of envy. We wonder if we can last out all six.

19. Vocational conferences today. 11th and 12th graders heard professionals talk about their fields of work. Always knew it would pay to be an upperclassman.

20. 'Tis Spring, when a young man's fancy lightly turns to thoughts of Graduation Day. Rehearsals for Hi-capades are in full swing.

21. Defender's Hi-Y took the first-place laurels in the city-wide Hi-Y Tourney.

24. The Knoxville Choir sang in the auditorium this afternoon. Highlights of the program were excellent renditions of "Italian Street Song" and "You'll Never Walk Alone."

25. Messy munching going on here today. The Y-Teens potato chips arrived.

26. Photographers from **The Post** dropped around during the 5th Bell to take pictures of the Hi-Capades acts.

29. More than 250 school kids, including many Woodwardites, were at 9th St. Y for the Teen-age Religious Conclave.

31. The Parakees Ball tonight. Everything was going fine until the Parakees decided to sing.

APRIL

1. The day the chem lab blew up . . . April Fool! Last minute rehearsals for Hi-Capades. Jitters began to set in.

2-4. THE HI-CAPADES. Those beforehand jitters seemed to melt away when the kids went on stage, and the acts were great!

5. A lot of Woodward seniors were seen this afternoon at the U. C. placement examinations at Walnut Hills.

Central Alpha battled it out tonight for first-place honors in the Central YMCA Basketball Tourney. Afterwards they relaxed (?) by cutting a rug at their own Spring Fling.

10-14. Easter Holidays! Happily on their way to Washington for the Easter pilgrimage were several Woodwardites, including Ann VordenEsche, Joan Mueller, Elizabeth Tankersley, Imogene Jones, and Joanna Pelzer.

12. 9th-St. Hi-Y held its Hobo Hop tonight. We never knew that there were so many well-dressed bums at Woodward.

18. The school was treated to a dramatics assembly. Mr. Hansen and Miss Morris presented a musical, "Down in the Valley," Mr. Becker's group presented a comedy-murder mystery, "A Shot in the Dark," and Mr. Solomon's group presented the comedy, "The Exclusive Model."

19. The 9th St. Hi-Y Council gave a dance tonight just for fun. It was.

23. The Arbor Day trees arrived. We rushed straight home to plant them in that bare spot out in the yard.

24. I.B.E. Day crowded the halls with strange faces.

25-27. Hi-Y Youth and Government Program was held in Columbus this week. Woodward was proud to claim two of the three senators selected from the entire Hamilton County area: Sen. Granville Stallworth and Sen. Louis Jones. Congrats, senators!

MAY

1. May day. Would it be showing Communist tendencies if we left a small basket of flowers on teacher's door?

The 9th St. Y had its Jabberwock tonight. It was loads of fun.

3. Central Alpha's May day Dance tonight.

5. The last regular issue of the Bulldog for this year. We'll miss the old 'dog, its news and its gossip.

Report cards again. Just one more to go.

10. Who's the most popular gal in school? Defender Hi-Y's Popularity Contest finally decided this long-debated question.

Central Alpha's Prom Queen Dance was held tonight. The candidates for Queen were finally announced. The girls were thrilled, but not so much that they didn't start "politicking" right away.

27. Sports Banquet. Woodward's athletes honored by the presence of Sid Gillman.

29. Orientation Day. Woodward was flooded by small fry of all sizes and sounds.

30. Memorial Day holiday.

JUNE

4. The seniors took their final exams today. Are **they** sweating!

5. Class Day was beautiful and sad for the seniors. More than one pair of dewy eyes could be detected as the last chorus of the Farewell Song was sung.

6. Caps and gowns are here.

6-10. Underclassmen exams. The poor kids thought enviously of the carefree seniors as they labored over the gruelling sheets of questions.

7. Seniors receive their final reports. The long wait is finally over. To celebrate, they dolled up and went to Alpha's Spring Prom. The girls all looked lovely and the fellas were really sharp!

9. The long-awaited "G" day at last. But somehow the seniors aren't quite as gay as they expected. They feel mixed emotions — happy, yet sad; proud to receive their diplomas, yet humble because they now realize that they are just beginning their real education.

13. Underclassmen received their last report cards and school was out for the summer. They're looking forward to being next year's sophomores, juniors, and seniors.

14. Delta Hi-Y's Spring Prom — an event! We'll never forget how beautiful the queen looked when she was crowned.

So it's the middle of June. All good things, and that includes this year of our lives, **do** come to an end. 'Bye.

The activities of the **Central Parkway Alpha Hi-Y** are many and varied. Besides such social events as the annual Thanksgiving Dance, Shamrock Scuffle, Spring Prom, and the many other dances it sponsors, Alpha participates in the Hi-Y Conferences, the annual Central Y Carnival to raise funds for the YMCA, the Central Branch and city-wide Hi-Y basketball tournaments, and the World Service Program. The Spring Prom is one of the organization's largest projects and a great deal of work is required to amass sufficient funds to hold the prom. Five candidates for prom queen are selected, the names announced at a dance preceding the prom.

This year's officers of Alpha are: President, Louis Jones; Vice President, Joe Somori; Secretary, Jim Young; Treasurer, Ronald Claunch.

Ninth Street Hi-Y is composed of a group of young men ranging from the tenth to the twelfth grade. The purpose of the club, as of every Hi-Y group, is "to promote, maintain, and extend throughout the home, school, and community, high standards of Christian character." Activities in which

the club engages include going to church together once a month, sponsoring dances at the Y, and at Christmas time caroling and presenting gifts to the Blind Friendship Home. Some of the members of our club help in various jobs around the Ninth Street Y. This year we have hopes of a championship basketball team, under the expert coaching of Mr. Lambert Sloan.

In the four short years since **Delta Hi-Y** club was first formed, it has advanced to the point where it is recognized as a well-knit organization. Mr. George Wilson took charge of the club in its second year, and under his guidance Delta has participated in many city-wide activities. In its third year the club won the Hamilton County basketball championship. This year's officers are: President, Granville Stallworth; Vice President, Albert McKenzie; Secretary, Clennon Jones; Treasurer, LeRoy Spivey.

All of the Woodward Hi-Y's this year participated in the Thanksgiving Assembly Program. Under their direction, baskets of food were packed by other organizations in the school, and on the day before Thanksgiving these were delivered by Hi-Y members to needy families in the Woodward area.

The combined Hi-Y's sponsored our Thanksgiving Assembly.

ALPHA CHI GAMMA

To be eligible for **Alpha Chi Gamma** sorority you must be a sophomore at Woodward with passing grades in all subjects. Our adviser is Miss Schwartz, and with her assistance we carry out our program of a spring and fall rushing season, a get-acquainted tea and an initiation, as well as a number of more informal social gatherings. This year we were directed by the following officers: Bevelyn Fox, President; Ina Morgan, Vice President; Veora Daniels, Recording Secretary; Esterre Davis, Corresponding Secretary; Doris McEntyre, Treasurer; Viola Chambers, Sergeant of Arms.

The **Royal Socialites** is a new co-ed club at the Y. W. C. A. It is under the supervision of Miss Evelyn Chue. The club was started in October, 1951, by four enthusiastic young people who were interested in the guidance of all the young people in their community. Since this small beginning the club has grown both in membership and in spirit. Present officers are: Alameda Smith, President; Oscar Garner, Vice President; Dorothy Torrey, Secretary; Dorothy Gardner, Treasurer; Eleanor Holmes, Sergeant of Arms; Louise Harmon, Auditor.

The **Student Council**, which meets twice monthly, is composed of ten members from each grade level, the members elected by the student body, and selected on the basis of leadership ability, character, and citizenship. The Council this year has had a very successful program under the guidance of its president, Ben Bryant. The Council started the year with both Mr. Nester and Miss Curry as advisers, but at midyear Miss Curry was forced to drop this activity because of the press of other duties. The Council appreciates the diligence and perseverance she encouraged in it at the beginning of the year.

Woodward owes to the 1951-52 Student Council the improved conditions in the

study halls and lavatories, the cleaning of all the pictures in the corridors, and the revised use of stairways which has helped our hall traffic. A recent service project adopted by Council has been a Lost-and-Found office. A special effort has been made this year to get complete participation in Student Council projects by opening the meetings to all students and faculty who have no class responsibilities during the period of meeting, and by inviting a representative from each homeroom not otherwise represented on the Council. This group does not render its services to the school alone; it took an active part in the Mile of Dimes campaign and the Crusade for Freedom.

Early in the year a party was given by G. S. W. for the girls of the Ninth Grade, who were entertained with games, dancing, and refreshments and welcomed on this occasion into the social life of the school. One of our service projects this year has been to make stuffed animal toys for the Colored Orphanage. Officers are as follows: Mary Williams, President; Marjorie Comer, Secretary; Ida James, Treasurer; Loretta Jenkins, Chaplain.

The Audio-Visual Aids Club was organized in 1941. In the fall of 1951 Mr. Solomon became its director, and this year Woodward has probably had the largest and best AVA staff in the city, with \$8,000 worth of equipment under its care. The AVA club uses twenty pieces of equipment each day — motion picture projectors, slide picture projectors, film strip projectors, opaque projectors, tape recorders, radios, phonographs, and public address system equipment. The club consists of 30 masters and 20 apprentices. The masters are experienced AVAiders, who are teaching the apprentices how to operate the machines.

In order to qualify as a master you must be able to operate every type of audio-visual aids equipment, and must have served in the organization for at least a half year. The students who make up the staff give up their study halls in order to do this work. This year for the first time they received pins in recognition of their service. This year's officers were: President, Ray James; Vice President, Jack Samples; Secretaries, Virginia Stephens and Bernice Hunter. Officers elected for 1952-53 are: President, Howard Angel; Vice President, Arnold Gregg; Secretaries, Virginia Stephens and Bernice Hunter.

The purpose of Y.C.C. is to build morally and socially the characters of the young people who attend. A council of twelve is chosen by the group as a whole, and this council then plans the year's calendar for business and social events. Officers of the organization are chosen within this executive council so as to have all business conducted efficiently.

Cantemos — we sing. Singing is just one of the many interesting things we do in **Los Conquistadores** — The Conquerors. This name was selected from the many that were suggested because we are attempting to conquer Spanish! We meet in Room 505 on the first and third Thursday of each month from 3:10 until 4 o'clock. Besides singing, we play games (as Spanish as possible), see movies or listen to Spanish records or to speakers who can tell us about Spanish-speaking countries. The purpose of the club is to increase our knowl-

edge of the language we are studying and also our understanding of our Spanish-speaking neighbors. Our adviser, Miss Morris, and President Mary Jo Isham provided interesting and informative programs for each meeting of the year. One project of the club has been correspondence with persons in foreign countries, and we have received many interesting letters bringing us news about teen-agers of other nationalities, their customs, their schools, and many other interesting things that give us a glimpse of what another part of the world is like.

The **Senior Secretarial Club** is composed of the senior girls who are studying shorthand and transcription in the hope of becoming well-trained stenographers and secretaries. Secretarial Club meetings are held twice a month, on the first and third Wednesdays. These meetings include movies on secretarial work, speakers who bring us information about the fields of work we are particularly interested in, and trips to some of the leading business firms in the city. On these trips we can see for ourselves how various offices are organized and managed and we learn of many different types of business jobs. The officers are as follows: Amanda Rousseau, President; Betty Whetstone, Vice President; Flora Kilgore, Secretary; Helen McCleary, Treasurer; Othella Barnett, Sergeant of Arms.

The **Ninth Street Boosters Club** was organized originally for the purpose of giving loyal support to the Ninth Street Hi-Y boys in their basketball games. Whether their basketball record would be any different without us we have no way of knowing, but they tell us we're very important. The Boosters have a number of cheers with popular rhythms and fancy steps. The present membership numbers thirty-five girls, each dressed for the games in her Boosters' uniform which consists of grey slacks, a navy blue sweater with a white dickey, and navy blue and white saddle oxfords. To buy the uniforms the girls keep up a schedule of fashion shows, teas, etc. The Boosters' officers for 1952 are: Alma Harris, President; Eleanor Howard, Vice President; Margaret Eakins, Secretary; Daisy Green, Assistant Secretary; Georgia Holland, Treasurer; Susan Kilgore, Supervisor.

AMERICAN PROBLEMS CLUBS

American Problems Clubs, which meet every Friday, are composed of the members of the American Problems classes. The purpose of the clubs is to give the students an opportunity to discuss current issues on the local, national, and international scene, as well as teen-age problems in which they are personally interested. The clubs further strive to develop a knowledge of our present democracy, to promote a more complete understanding of democratic ideals as applied to present problems, and to encourage an attitude of personal responsibility in support of the ideals and institutions of a democracy. Members of the clubs do more than talk about democracy, they actually practise it; all club procedures are carried out on a democratic basis. The club's program of discussions and activities for its meetings throughout the year is planned by a com-

mittee around a variety of subjects, and includes panel discussions, reports, quizzes, debates, and motion pictures. The following officers served the American Problems Clubs during the school year of 1951-52:

SPEECH CLUBS

Two speech clubs were organized at the beginning of this year, the "Speakers of Tomorrow" and the "Articulators Club." The chief purpose of the clubs is to bring about a better understanding of parliamentary procedure in the members, and to stimulate interest in the developing of better speech habits. Throughout the school

year programs are presented at the regular Friday meetings, parties on special occasions, and at least one one-act play. Officers of the Articulators are: President, John Wise, Ralph Kelley; Vice President, Jerry Lee, Lawrence Turner; Secretary, Dick Cesler, Gloria Sims; Treasurer, Ray James, JoAnn Davis. Officers of the Speakers of Tomorrow are: President, Curtis Byrd; Vice President, Clifford Millward; Secretary, Norma Shearer; Treasurer, Hoise Birks.

The BULLDOG is published at Woodward fifteen times a year under the supervision of Mrs. Marjorie McKinney.

The paper's main policy and platform are as follows: To raise the standards of scholarship, service, citizenship, and character among the students; to increase the harmonious relations between teachers and pupils; to inform the students of events which are interesting and important to their school and home lives. The paper pledges to support and to publicize the Hi-Capades, the Spring Concert, Career Conferences, and the Homeroom Program.

The Junior Reporters met regularly to discuss new ideas for the paper, and turned in much of the material which was published. This year's staff was as follows:

Editor-in-Chief — Clifford Millward

Managing Editor — Jim Young

Sports Editors — Joan Cordell, Dick Cesler

Advertising Manager — Dick Cesler

Circulation Manager — T. Robert Scribbin

Business Manager — Jack Samples

Exchanges — Clara Cabe

Special Writers: Flora Kilgore, Alma Battle, Ron Claunch, Jack Samples, Grace Harrison, Gloria Smith, Joan Cordell, Clara Cabe. All photography is by Mr. Rubendunst.

ANNUAL STAFF

The executive staff in session.

From September to May, a finger in every pie, an ear to the ground, a hand on the pulse of the school — the **Annual** staff. For the success of this year's sales campaign we owe thanks to the business staff and the homeroom representatives, who have worked steadily to collect the finances that made the **Annual** possible. Many of the pictures were secured through the cooperation of Mr. Rubendunst's new camera club. The sports section of this year's book is to be credited entirely to one staff member — Garey Reynolds. The literary staff produced the senior writeups and other reading material, while the four editors argued over each bit of white space, each photograph, each block of type. To all of us, the **Annual** is more than just another yearbook. It represents much of the work and fun we had in this year at Woodward.

Miser McCleary balances the budget.

A club which stimulates interest in all sports and games, develops student leadership, and fosters good sportsmanship is the Girls' Athletic Association. Members of the G. A. A. meet every Wednesday and Thursday after school. In the fall, hockey is played at Deer Creek Commons. With winter come volley ball and basketball in the gym, and in the spring we're out of doors again with softball. The program also includes archery, table tennis, bad-

minton, aerial dart, jacks, shuffle-board, and tennis. At intervals hikes, picnics, and dances come into the schedule. On the various playdays, Woodward G. A. A. girls compete with the G. A. A. of the other high schools in the city. The girls who go into G. A. A. learn a lot about sports and have fun the year round. Incidentally, they learn just how many tired steps it takes to get from Deer Creek Common back to 13th and Sycamore.

G. A. A.

GIRLS' BASKETBALL TEAMS from the city's high schools put on some fast exhibitions at the playday at Withrow High School. Above, Woodward and Hughes girls had the ball in play. Reading from left to right, Sadie Benton, Woodward High School; June Uhlhorn, Hughes; Arline Durban, Hughes; Dorothy Torrey, Woodward; Charlene Harris, Hughes, and Barbara Miller, Woodward.

FOOTBALL

We cheered our boys,
We gave them drive,

We got excited
At 2:05!

The W. H. S. Football Team of 1951, slated to be the cellar-dwellers in the P.H.S.L., surprised everyone by finishing the campaign with a 3-3-2 record and grabbed off the fourth-place berth behind Western Hills.

Two of the victories were registered in the P.H.S.L., and the other was a surprising upset over Portsmouth, in the season opener. Our boys were held to a 6 to 6 deadlock by Western Hills, and knotted up to a thriller with Washington Court House, the favored team, 13 all. Suffering defeats at the hands of Central Vocational, Withrow, and Hamilton Catholic, they bounced back to finish the season by walloping Walnut Hills.

The team consisted of a large number of vets; in fact, there were eleven of them.

The major part of those returning to the team were seniors, who were playing their final season of football at Woodward. Seniors dominated the backfield positions, with the exception of the right halfback spot. This was filled by fleetfooted Adolph Frazier, a junior, who did a wonderful job of carrying the pigskin all season long. He is expected to shoulder the burden of the backfield next season.

The average weight of the team was low as compared with their opponents; the boys proved that this was not very important. Perseverance, courage, fighting spirit and sportsmanship were more important. These qualities weld a team from a group of individuals, and our boys proved that they had what it took.

W.H.S. 28 — P.H.S. 19

In the opening game of the campaign, Woodward showed its potentialities by upsetting Portsmouth High School. Sy Broughton, Adolph Frazier, and Bob Jackson paved the way with huge gains, while the Bulldog forward wall opened up large holes, providing fine downfield blocking.

W.H.S. 13 — W.C.H. 13

Washington Court House started right off the bat in marching the full length of the field to score, but W.H.S. stormed back with Broughton going over. Extra point was missed. Second and third quarters were hard fought, but W.C.H. managed to score again. In the final seconds W.H.S. drove down to W.C.H.'s 35-yard line. A pass, Jackson to Cesler, put the ball on the 1-yard line. Reliable Sy crashed over to TD land. As the final second ticked off, the pigskin sailed between the uprights to tie it up, 13 all.

X Play

W.H.S. 12 — C.V.H.S. 21

Woodward gave the Hornets a scare as they played a hard and rough game and came close to upsetting them. Broughton started the scoring with an intercepted pass run for 25 yards and pay dirt. Central scored next, taking the lead, 7 to 6. Byrd caught the pass from Somori for W.H.S. Conversion was missed both times. Central came through with two more TD's before the final gun.

W.H.S. 6 — W.H. 6

Second deadlock in a row. Woodward held Western Hills to a single TD. The maroons scored first with a series of passes that paid off. From single wing, A. Frazier scampered 60 yards off tackle, to net it all up later in the game.

W.H.S. 30 — H.H.S. 14

Starting out slowly, but exploding in the second quarter with 24 points, the Bulldogs, led by Sy Broughton with 4TD's to his credit and Frazier with the final tally, smashed the Big Red from up Clifton way with a score of 30 to 14.

free playing at Walnut Hills

W.H.S. 0 — Withrow 31

Suffering their worst defeat of the season by the Withrow Tigers, score of 31 to 0, the 13th Street gang never seriously threatened through the entire game. The Tigers passed, ran, kicked, and scampered over the dogs as they prepared to vie for championship.

W.H.S. 26 — Walnut Hills 20

The Woodward Bulldogs bounced back from their previous defeat to achieve a victory over Walnut Hills. Big Sy started off the scoring that afternoon, when he romped 25 yards to pay dirt. Not easily daunted, our opponents tied the game up very quickly, but Woodward came back strong again to take the lead and finally won out.

W.H.S. 0 — Hamilton Catholic 13

Scoring two times in succession, fighting off the many Bulldog attempts to cross TD land, playing smart heads-up football, the Hamilton Catholic squad was able to wrest from us a 13 to 0 victory.

The Reserves, sometimes referred to as Junior Varsity, are composed of ninth and tenth-grade boys. Their purpose is to train to become material for future varsity teams. When asked to fill the positions of experienced varsity men, they responded splendidly, showing that same do-or-die spirit which was displayed so steadily by their fighting brothers of the varsity squad. On several occasions it was their efforts on the gridiron that enabled the team to come out on top.

To Coaches Alexander and Bathiany, who devote much time and energy to the activities of the football season, go the heartiest congratulations for a successful year. We were proud of the 1951 team and happy that it could add to the glory of Woodward High School.

BASKETBALL

For another year coaches Bathiany and Alexander molded a hard-practising hard-playing team to represent Woodward High in the city Public High School League. This year's team got off on the wrong foot by dropping the initial encounter to Terrace Park. This didn't seem to bother the boys at all, because they bounced back to knock off Anderson Township in the next game. After the first two games, they went on to win 8 and lose 7, rounding out the season with a 9 - 8 record.

The first string was made up of three members from last year's varsity team, with some of last year's reserve basketeters filling in the remaining varsity posts. Two of

the first-string hoopsters, Bill Starkey and Sy Broughton, seniors, accounted for a majority of the points in many of the games. These two would manage to rack up about 35 points between them. Besides this, they were fine ball handlers and wonderful back-board boys.

There was a noticeable improvement in the ball played by our boys this season because of their exceptionally good teamwork. The simple statement of nine victories and eight defeats does not really tell the story of all-round fine performances, when a basket or two in many cases would have saved the game and changed a defeat into a victory.

The Reserve Basketball squad, coached by Mr. Kraushar, failed to win a single game this season, but the boys were good sports and hard workers, and despite their bad

luck they continued to attend practise regularly. The experience they gained during this season will come in handy to them when they take over the positions of the graduating members of the varsity squad.

As the ANNUAL goes to press, the baseball season is just getting under way. So far this season the Woodward nine has not been able to ring up a victory. Their first loss was to Norwood, seven to five. Then they dropped the second game, ten to two, at the hands of Western Hills' Panthers. However, even though they have two strikes against them, they still have the greater part of the season ahead. From here on out, with the coaching of Mr. Kraushar, we anticipate good things of the boys. When the Bulldogs are on defense, Don Oliver, a freshman whose fine playing rated him a spot on the varsity, holds down the initial sack. Joe Somori and Adolph Frazier form the double play combination, with the former at the keystone sack and Adolph working at shortstop. Rounding out the infield is old reliable, Sy Broughton, "knockin' 'em down" at the hot corner. The roving boys are Hoise Patterson, another freshie, left field; Bill Spivey, center; Bob (hustle) Miles in right field. For their third and final season Bob Jackson and Frank Hargrove are battery mates. Bob pours them and Big Frank catches them.

F. Brown, F. Stephens, W. Lawson, W. Lewis, H. Owens,
R. Kelley, W. Hayes, C. Wright, W. Burress.

The outlook appears bright for Coach Bathiany's cinder troupe as the track season opens. With many veteran speedsters and distance men returning, we should make a good record in 1952. Many freshmen who reported for opening practice have stayed with the grind and have been improving right along. The returning sophomores have been impressive in their workouts and will undoubtedly fill many of the running spots. The field boys have also been doing a fine job. Their specialties are shotputting, discus throwing, high jumping and pole vaulting, but some have also been participating in running. This year the track squad consists of more than fifty boys, coached by a single man. This seems like a large group to be under one person's training. However, if the coach has years of experience behind him, as our coach does, and if the boys are willing to learn, as our boys have shown themselves to be, fifty individuals can become a trained and coordinated team of which we can be proud.

TAP DANCING

Poise, grace, teamwork, coordination — all these are developed in the tap-dancing classes under the direction of Mrs. Reh-kamp. The classes are open to boys as well as girls, but this year only the girls kept at work long enough to qualify for the big event of the year, the Hi-Capades. During the weeks just preceding the show,

the sound of little metal plates striking the floor upstairs can be heard not only on Tuesdays, but every afternoon, doing the routines over and over. No glamour about it — no lights, no audience, no costumes but the old gym blues. Then in April comes the startling transformation. In front of the footlights of the Woodward stage there steps out the smartest precision chorus line any show would want. That's when all those Tuesday afternoons pay off.

The stagehands, the men behind the scenes, are an important part in every production staged in our auditorium. Under the direction of Mr. Duffy they handle the complicated schedule of lights, curtains, spots, microphones, and scenery that keeps a show like the Hi-Capades moving at a quick pace. Every assembly requires their services in some capacity. The boys who gave up their study periods this year to serve the school in this job were George Whitaker, Ron Claunch, Dick Cesler, Bill Barker, Bill Couch, and Walter Morris.

DRAMATIC CLUB

The beginning of a Dramatic Club caused a flurry of excitement in December of this year. The club was opened by Mr. Hansen to anyone interested in devoting out-of-school time to the fun of play production. The immediate response was so overwhelming that the club had to be divided into several groups, each of which was to be responsible for a play at each club meeting.

On April 18th the club put on an evening of plays for the students and their friends. Playing in a comedy, "Exclusive Model", were Glen Combs, Elaine Porter, Barbara Harris, Joseph Shaw, and Maggie Edwards. Mr. Solomon directed, assisted by Betty Weiland and Loretta Lewis.

"A Shot in the Dark", directed by Mr. Becker, presented as actors Pauline Spriggs, Ray James, Annie Sands, Jack Samples, Betty Venable, Leon Riley, Walter Morris, Ronald Claunch, Colonel Nored, Franklin Flack, and Howard Tranor.

"Down in the Valley", a one-act opera by Kurt Weil, was directed by Mr. Hansen, with Miss Morris directing the music and Miss Orr the dancing. Doris Steel was accompanist. The cast included Clyde Williams, Dolores Turner, Bobby Hill, Willis Jackson, Henry Gover, Jack Samples, Raymond Doss, Betty Venable, Joyce Brown, and Jerry Jones. Chorus and dancers: Bobby Marshall, Norma Montgomery, Dolores Bradford, Mildred Napier, Joan Cordell, Vivian Hudson, Loretta Jenkins, David Wright, Donald Hales, David Stewart, Yvonne Crittenden, Theresa Crittenden, Sallie Halsell, Pat Green, Curtis Byrd, Sylvester Sowell, Franklin Flack, and Oles Pringle.

The production staff in charge of this theatrical evening was headed by Miss Curry, as coordinator, and consisted of Betty Whetstone, Jack Samples, Donald Smith, George Whitaker, Joyce Brown, Gloria White, Curtis Byrd, Billy Couch, Henry Ross, Sylvester Sowell, Jim Young, and Louis Jones.
